PRINCIPAL'S NEWS

REMOTE LEARNING

Thank you to everyone for your resilience and persistence. I am hopeful that we will be able to resume back to onsite learning shortly. If not, I am confident that you will all continue the great work that you are doing to continue to support your child's learning.

Compass is a school management solution that allows parents and carers to access up-to-date and meaningful information about our school and their child's progress.

Forrest Primary School has joined Compass and all parents/guardians have been invited to join too. A unique family username and password were provided to parents/guardians to log in and access their family account. A link has been added to our website www.forrest.ps.vic.edu.au.

Please contact the School Office if you require assistance with access.
